

Milen Kozhuharov

.NET / MEAN / JAVA WEB DEVELOPER

Personal Profile

With love for computers and tech, my passion grew from a hobby to QA and naturally - career choice as a developer. Persistent and energetic, I always learn from a good challenge and constantly self-improve.

2001: A Space Odyssey, Ender's game, Geopolitics magazine, Avalon, Dune, GoT

...

Thinking outside the box

If life gives you lemons don't make lemonade! Return them instead and demand a meeting with the manager.

0 sick leaves in my entire career (!)

Proactive team player
